4. Brief

> Dear Sir/Madam,

The item/s listed below is/are overdue. Please, either return or renew them within the next **14 working days** or contact the Library immediately in case the item/s has been lost.

PLEASE NOTE: THIS IS YOUR LAST CHANCE TO RENEW THE ITEM(S) !

If you are at DESY-ZEUTHEN, to renew you have to visit your library and contact the staff.

> If you are at DESY-HAMBURG, you may renew by visiting <http://library.desy.de>. Just follow the link ALEPH books catalogue, at the top of the page. Alternatively, you can use the link <http://libi2.desy.de:8991/F?func=login-session> directly.

Once in the DESY Library Catalog, click on :Sign-In: in the top menu. When asked for User ID, log in with your Patron Barcode (you can find it in the header of this message); the Verification is most likely the same as the barcode (unless you have changed it). Once logged in, you will be shown your current list of loans. Here you can choose either single books to renew, or choose :Renew all: from the sub-menu on top.

> *After the next - and final - notice, you will have to return the item/s or declare them as lost. You will have a possibility to re-borrow if need be, but only after it is turned in. Should you not react whatsoever, we shall assume the item/s to be unavailable for general loan.* The status of the items in question will be changed to Permanent Loan, and your group budget will be charged with the cost/s of obtaining a new copy for the library. We therefore strongly recommend you to take action by either returning and/or renewing the items in question.

Sincerely,

DESY Library Circulation Department

Long overdue / Notification of replacement

> Dear Sir/Madam,

Following is a list of items we have already asked you to return several times. Unfortunately we have not heard from you and thus are forced to take appropriate measures, unless you return them immediately within the next 2 working days or declare them as lost.

> Please be reminded that according to the Library usage policy you, as the borrower, are liable for any borrowed item and are obliged to compensate for costs of any lost or damaged items.

After this LAST notice we shall assume the item/s to be unavailable for general loan. The status of the items in question will be changed to Permanent Loan, and your group budget will be charged with the cost/s of obtaining a new copy for the library. If you are a member of DESY staff, then your group budget will be charged for the cost of the item/s.

Sincerely,
DESY Library Administration
