In page 3, footnote 4, the sentence ‘The original parameters can be found in [24]’ should be corrected as ‘The original parameters can be found in [31]’. In page 5, section 3.1, the third equation of equation (7) should be corrected as

$$(\varepsilon_{33})_{\text{conical}} = \left[K^*(m_{qc}^2 + m_{0c}^2) + L_1^*m_{0c}^2 - L_{O2}^*qm_{qc}^2 - \frac{1}{2}L_2^*m_{qc}^2 \right].$$

We apologize for any confusion these typos may have caused. They do not affect the other results or conclusions of the article.
